Interpretation services in Addis Ababa, Ethiopia

PSITS offers simultaneous (conference) interpreting for conventions, tours, seminars, training courses, interviews and market research, as well as other groups. Given the high demand for skilled interpreters, our structure has expanded in recent years to offer both translation and interpretation services. Are you looking to organize a business meeting or a conference with foreign partners? You can rely on our hand-picked team of interpreters in Addis Ababa, Ethiopia and the region.

Simultaneous Interpretation

•The interpreter will translate what is being said at the same time as the speaker who he/she is translating, without the speaker having to pause after each sentence.

Consecutive Interpretation

•The Interpreter listens to the speaker before they Interpret. The speech is divided into segments and the interpreter will relay the information.

Whispering

•Chuchotage or whispered interpreting entails whispering the interpretation into the ear(s) of a very small group of listeners.

Date: June 6, 2018

To Whom It May Concern

PACT is a US-based Non-Governmental organization that has been engaged in a number of poverty alleviation and development programs in Ethiopia since 1996. PACT's unique contribution as a development partner lies in the vitality, breadth and sectoral composition of its development programs.

This letter refers to the request of P.S.I.T.S General Business PLC to write a letter of certificate regarding its consultancy assignment with Pact.

Thus, this is to certify that P.S.I.T.S General Business PLC successfully completed Interpretation assignment in two different session at Addis Ababa for the period from April 1-5, 2018 and from May 25-31, 2018 at Bishofetu.

P.S.I.T.S General Business PLC accomplished the assignment as per the expected quality and professional manner.

Should you need additional information on the above, please do not hesitate to contact us.

Dear Mr. Samuel Eyob,

With this letter, we, the Asian Population and Development Association (APDA), highly commend you for your professionalism.

The "Enhancing the Role of Parliamentarians in the Interlinkage between Population Issues and the 2030 Agenda for Sustainable Development - Part I" that took place from 10-12 August in Addis Ababa, Ethiopia was a great success.

You are a dedicated individual who lent yourself available to these events which required meticulous planning, coordination and execution with the organizer. You communicated very closely with us, worked efficiently under pressure, meeting high demands while ensuring that every detail was accounted for.

The successful outcome of our programme is thanks in part to your unwavering dedication and steadfast support. It is therefore with utmost confidence that we extend our sincere thanks to you for facilitating our every request.

We hope that we may have the opportunity to meet again in the near future.

Sincerely,

Dr. Osamu Kusumoto

Tour guide systems

Cordless tour-guide sets were, as the name suggests, designed for professional guiding on visits to factories, museums or tourist excursions, frequently associated with mobility of listeners and groups.

Nowadays they are also suited to use as whispering equipment for interpreters under certain circumstances. This usually means when it is not possible to set up standard interpretation booths and equipment, e.g. for lack of space. They are no substitute for regular interpretation equipment in large halls.

COMMENDATION: MR SAMUEL EYOB

The International Federation of Red Cross and Red Crescent Societies (IFRC) recently had the honour of working with a team of 15 members from PSIT, who rendered translation and interpretation services to the main plenaries, side events during the 8th Pan African Conference (PAC), which was hosted by the Ethiopian Red Cross Society, with support from the Government of the Federal Democratic Republic of Ethiopia, from the 19th to 22nd October 2012, serving close to 800 delegates and observers.

The PSIT Team was led by a very capable and dependable gentleman, Mr Samuel Eyob, who displayed real professionalism in managing the critical interpretation areas of the conference: from the official opening ceremony, including the speech of the Head of State, the Prime Minister of Ethiopia, a panel discussion facilitated by a continentally renowned journalist, the Commission on breakaway working groups.

Mr Eyob took responsibility for all developments, and even emerging conference needs, and was at hand at all hours, willing to go that "extra mile" for the delegates, thus contributing to what has been described by delegates as a successful conference. He ensured that his team was available to do such additional work as translation of daily bulletins, which entailed working longer than the normal conference hours.

We would sincerely and proudly recommend Mr Eyob as a top-class service provider, with the capability to oversee all sizes of conferences and special events, with flair.

Yours sincerely

Mandisa Kalako-Williams

Dear Mr. Eyob,

We recently held a conference at the Addis Regency Hotel for 33 guests from all over Africa, during which we used the services of PSITs.

I just wanted to write you a quick note to say thanks very much for providing such great interpreters for our conference last week. They were very helpful, flexible, and professional, and we really appreciated all their hard work. As a result, we had a very smooth conference; we could not have done it without PSITs' wonderful services.
